SATURDAY OCTOBER 16 SHADY BANKS FLEA MARKET

FRIDAY DECEMBER 17 HOLIDAY HAY RIDE

PRESIDENT'S MESSAGE

By Tim Hager

Hard to believe this year is almost over. Time really does move faster the longer we linger. Your neighborhood civic association has made end of the year plans so please come out and join in the fun and get to know your neighbors. October 16 is our bi-annual flea market. This is our number one fund raiser for the Association and pays for some of the events like the Holiday Hay Ride, December 17, and the Easter Egg Hunt (tba). Please come to our next meeting and pledge your support.

The Shady Banks neighborhood needs every neighbor to join in the transformation of our piece of Fort Lauderdale. We have a unique opportunity to direct the creation of our long awaited neighborhood park right in the center of our community. Look over the plan included and come to the meeting to provide your input. The plan is also posted on our website shadybanks.org.

Our community has a number of other issues that require your expertise. The Bill

Keith Preserve got off to a good start, but needs some neighborhood enthusiasm to keep the progress going. The boatyard is still owned by Regions Bank and I ask again, anyone who gets information about this property, please contact me. Many houses in our neighborhood have become victims of the economy. If you are aware of problem properties, please offer your assistance or call the authorities.

Finally, I am sorry to report the loss of who I consider the Founding Father of Shady Banks, Bob Elmore. He passed away at his home. He was 91. He built his house on the river when this was considered "way out in the country." I enjoyed the few times I was able to hear his tales of those times.

Dear Shady Banks Residents:

 A Hortt Park Development Plan Committee is in place, and I ask anyone who would like to work with us and join us, please contact me at: Hadny Fayyaz, 954-765-1091, or email me at Hadny-Hayek@gmail.com. We welcome your ideas and input on the planning and development of what we visualize would be the "Jewel of Shady Banks". Looking forward to hearing from all of you!

FRONT ENTRANCE PAVERS

At our October 13 meeting, we will be discussing the pavers that the City replaced at the entrance to Shady Banks. If you have any concerns about the quality of the work performed, please come to your neighborhood meeting for a discussion about this issue.

Be sure and visit shadybanks.org, your neighborhood website for instant access to all your Shady Banks neighbors (those with computers anyway)
 Thank the webmaster, Dave Clancy, for putting this together for us.
